

GREETINGS FROM BRIGHTWOOD RANCH!

Brightwood Ranch is a ministry of Edmonton's Hope Mission. We offer an affordable, high-energy Christian summer camp experience! We provide campers, ages 6-17, from any race or religion, the opportunity to learn how the Christian faith can provide direction and healing for today's youth. Daily chapel gatherings consist of skits, singing and a short message. Presented in a casual manner, cabin group Bible studies encourage campers to discover God's love and his plan for their lives.

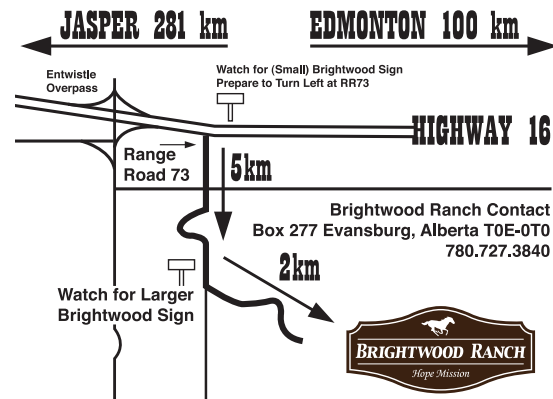

We are committed to getting kids active! With 220 acres packed full of summer camp activities including horse back riding, climbing wall, and archery, Brightwood Ranch is the ultimate summer destination for kids and youth. Our adventurous, outdoor activities allow staff to encourage, praise, and build up campers' self esteem and confidence.

Safety and comfort are our primary concerns. Campers sleep in heated cabins with private bathrooms and showers and are supervised and cared for by trained Christian counselors all week long. Nutritious meals and snacks are prepared and served in our new kitchen and dining hall. We provide a full-time, registered nurse on site in case of injury or illness.

If you have any questions or concerns please give us a call, or send us a message via email. We would love to hear from you!
